Similar phrases used by the counterfeit religion of modern spiritualism mixed with Christianity- VS True Christianity.

Notice that the words and phrases are often similar or the same, but the content is different. This is just a selection of words and phrases used by those from the Spiritualist camp and those who promote the Higher doctrine of Christ:

...and before I have even started, we can already see a very good example of what I say, as the Spiritualist camp will even use similar phrases as "the higher doctrine of Christ". Notice also that it does not matter if they use "the Christ" or "Jesus Christ" or just "Christ", it is far more intricate and advanced than that.

(When modern spiritualism speak of spiritual energies/frequencies it is not spiritual as the Bible define spiritual, but rather physical energies. They even term various physical energy states for the love vibration or fear vibration etc. This is an abomination in the sight of the Highest God and Christ. This is to mix the holy with the profane. The innermost, holy of holiest and sacred (heart and mind) with the physical kingdom of this world. This is Babylon in the highest sense.
Notice that the physical, literal kingdom of this world and its wisdom, its versions of love, justice, wisdom, law, joy is the old, immature, fallen law, covenant and order. The order of the man of sin and the beast and of Babylon. While the deeper, innermost, holy of holy, the spiritual represent the Creator, the true, holy trinity and their new, mature, everlasting law, covenant and order. God is God over both the physical and spiritual, but represent more so the spiritual.

Notice also that the old law, covenant and order is the fuller, deeper meaning of the counterfeit Sabbath. While the fuller meaning of the true 7th Day Sabbath is to have entered the new, mature, everlasting law, covenant and order. See Hebrews 4. (the kingdom of God, where you escape the prison and slavery of this world and the sinful human nature and can rest in the righteousness of Christ, by being born again, having crucified your self

righteousness/ the righteousness according to this world or counterfeit religions, which is the law and spirit) the moral character of the unsanctified human nature and the fallen angels. (fallen creation). You are set free from the law of sin, the bondage of sin and its father and can rest by having received the law and spirit = moral character of Christ = The righteousness of Christ. This sanctification process happens by the two-fold purpose of grace through faith. This also include His atonement, pardon for sins by His sacrifice on the cross which can erase our transgressions from the book of life, if we repent of our sins. This is the everlasting gospel offered to all mankind regardless of outer factors. God is impartial and do not judge based on shallower, outer, apparent factors. Hence they walk by SIGHT (by the apparent, meaning what is apparent to the fallen, human nature and angels). Satan (Lucifer) claim to be able to judge our character (heart and mind = spiritual soul) by his religion and theories (spiritualism by aura reading, sciences by measuring neurotransmitters and his human psychology which are in many ways connected to spiritualism).

They walk and judge by sight, they build their temple upon sand = the smaller, temporal, apparent things that represent the old, immature, fallen law, covenant and order. Rather than to build their temple on the eternal rock and walk and judge by faith, by the deeper, the inner, the everlasting. (2. Cor 4:16-18).

So we see how the world make use of the lower forms of wisdom (psychology and modern spiritualism) and by default claim to be able to perform the same result and healing of the soul as only Christ and His higher wisdom and education by the power of the world, the holy spirit and by taking the path of the cross. They both claim to be able to use other ways and means apart from the one true way, in addition also judging the most holy place, the sacred innermost heart and mind (the soul) by these lower versions. Hence making themselves as "god" by using other standards, other doctrines and teachings to do so. When it comes to judging the shallower, say physical health, it is often fine to use the methods of this world, because it revolve around the physical kingdom, not the spiritual. Spiritual things are spiritually discerned, it can only be understood by receiving it from the holy spirit of God. To use the shallower things and trying to judge the deeper things of God is however, an abomination.

Read 1. Corinthians chapter 2 and 3.

Disclaimer: I do not speak about all forms for psychology and psychological therapy. Nor am I against neuropsychiatry. There are some aspects that are of benefit and do not go against the Word of God. What I speak against more specifically is to judge the spiritual, the soul' (mind and heart) the sacred, the higher, with the lower forms of wordly psychology. We have seen how many Christian authors and even many Bible heroes have been accused and labeled with the worst of diagnosis over many years now. So we definitely see how dangerous it can become if one use it improperly and in a way that aims to attack the people of God and even Christ Himself. I recommend you to read through more articles I have written about this subject in order to get a better understanding of this.

There is ONE TRUE AND ONE COUNTERFEIT "GREAT AWAKENING.

"Through spiritualism, Satan appears as a benefactor of the race, healing the diseases of the people, and professing to present a new and more exalted system of religious faith; but at the same time he works as a destroyer." -
Great Controversy ch.36

AND

"The Loud Cry message: The advancement and fullness of the Truth and the New, mature, everlasting law, covenant and order, and the 3 Angels' messages"

**** The 3 Angels' Messages is in short the higher doctrine of the Truth of Jesus Christ, His New, everlasting law, covenant and order, His everlasting gospel, set up against the old, lesser, immature truths, the counterfeits, asking the inhabitants of the world to make a decided choice.***

...Both happens SIMULTANEOUSLY.

Both anticipating a birthing of a New World Order.

One is presented by the counterfeit, Babylonian Christ

...and the other:

The One, True Christ.

"As spiritualism more closely imitates the nominal Christianity of the day, it has greater power to deceive and ensnare. Satan himself is converted, after the modern order of things. He will appear in the character of an angel of light. Through the agency of spiritualism, miracles will be wrought, the sick will be healed, and many undeniable wonders will be performed. And as the spirits will profess faith in the Bible, and manifest respect for the institutions of the church, their work will be accepted as a manifestation of divine power. The line of distinction between professed Christians and the ungodly is now hardly distinguishable. Church members love what the world loves and are ready to join with them, and Satan determines to unite them in one body and thus strengthen his cause by sweeping all into the ranks of spiritualism. Papists, who boast of miracles as a certain sign of the true church, will be readily deceived by this wonder-working power; and Protestants, having cast away the shield of truth, will also be deluded. Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium.

Through spiritualism, Satan appears as a benefactor of the race, healing the diseases of the people, and professing to present a new and more exalted system of religious faith; but at the same time he works as a destroyer. His temptations are leading multitudes to ruin. "
