The 3 Angel's messages, the way of Christ and the healing of our souls.

Who would have thought that the 3 Angel's messages, the book of Revelation and the book of Daniel could be used as therapy for your soul, to heal the heart?

Well, if that does not sound like advancement of the truth of Jesus Christ, and a step in the right direction, compared to pope stalkings and shallow obsession about our bodies and appearance, I do not know what is?

The Sanctification, the way, the truth and the life, the way of the cross, is healing for our soul. Where the inner work is by far the most important.

So we see that to reject the way of the cross: *"The way, the Truth and the Life"* which is Jesus Christ and His way, His promise, His law and gospel is to reject God's gift of everlasting love. Without receiving the divine love of God, no heart can be healed, and hence not saved.
