# Left behind by choice

**People and worse, Christians, who choose to be stuck in darkness,** in the limited, in the foolish, hence choosing the old, immature order, AFTER, light/truth has been revealed, choose to be left behind. Choosing the letter of the law, to walk by sight, rather than the spirit of the law and walk by faith. They choose unwise councelors, they choose their old, fallen self and the lust of it. The simple, what is natural to the fallen self. The broad way. The old law and order, and the leader of it, Satan, rather than Christ and be filled increasingly with His righteous law and order.

**Hence, they choose their own destiny:** the law and spirit of the atmosphere of sin and hell. The old, the limited, the fallen. Hence they choose death everlasting. Rather than advancing toward the law of life and the everlasting kingdom with the atmosphere of heaven.

Unless they truly see their sin and repent...

**<u>Lucifer before the fall:</u>**

**-**perfectly created in the image of the holy trinity: 777. Creation filled perfectly with the power of divinity and its righteousness. By the law and spirit of the Godhead.

Then he fell and started falling. Now he is perfectly filled himself, creation and without God: 666. Hence complete self righteousness and filled completely with the law and spirit of self, of the flesh, of this world. Perfect = complete darkness and evil, judged by the standard of the everlasting God.

But he refuse to acknowledge this still, and imagine he is God.

**Humans are fallen, more or less under the banner, the law and spirit of the unholy trinity, 666 and have to overcome by the holy trinity, 777.**

**Immature, unsanctified humans are like their father, Satan.** They are fools, monsters, insane, defective compared to God. Unfit and unable to live in the society of heaven. Hence the only way to escape is the cross, the way toward holiness, step by step, by grace through faith.

**What about children who never reach adulthood?** As I understand they are saved by their parent's righteousness if the parent raising the child is clothed with Christ. The race is to advance in the path set before you. Those who die younger, who do not commit suicide or provoke their death knowingly, had a shorter race than most. Often it is what a person choose to fill themselves with later in life from the law and spirit of self and the world, that is mostly problematic and which need to be purified from their hearts and minds and filled with the law and spirit of God, by grace through faith. Most if not all have a mix of the holy and unholy, hence Babylonian. But not complete unrighteousness (that means the law and spirit of this world, of the flesh, of self).

**Completely opposite of the humanist agenda and pretty much opposite of spiritualism.** Worshiping creation and this physical, apparent kingdom rather than Christ and His spiritual kingdom FIRST.

**Notice that the religion and psychology and philosophy of Satan paint the everlasting, higher God, 777, as the monster**. Because of his righteous, higher ways and judgment. Completely flipped. This mindset has heavily crept into the Christian church, even among the elect!

**The majority who worship Satan, are people who think they worship a good god, a benefactor, someone they believe will save this world.** They may even teach it in the name of Jesus Christ. But their teachings are not in accordance with the truth of God, by His word and testimony/spirit. Rather it is the spirit and teachings from the Antichrist.
