The everlasting promise of the everlasting, divine law and kingdom created in us. In short.

Everlasting *promise*, of sanctification. To overcome the man of sin, the beast. our old self. 666. In a deeper, fuller understanding. Who walk according to the old law and covenant. Walking according to the flesh, by sight. Having it replaced by the new, mature, **everlasting law of God and Christ,** written on our hearts and minds, **by grace** (forgiveness for sins and spiritual power **from the everlasting Holy spirit**) **through faith in Christ.** Hence the law of Christ (his righteousness,) by faith. = to walk by faith. our new, mature self.

From Adam (law and spirit of the flesh. Man of sin and of this old earth/world). 666. To receive Christ (the law by faith by the power of the holy spirit = grace). King, master and High priest of an everlasting order, heaven and this earth made new. Being created anew and made righteous by sanctification. The fuller baptism of water and fire, by the father, the son, and the power of the holy ghost. = the process of sanctification. The fuller baptism. In the power of the holy triune god: 777. To overcome the first man, being branded spiritually with the number 666. And receive the new, by baptism of water and fire =sanctification by the triune God, and be created anew in the image of God. By imputed righteousness and power to be adapted to the society in heaven and the new earth. Under the new, eternal law, covenant and order of Christ. From earthly man, to man divine. Not in our own power, but by the power of God. We go from a limited, immature, old, earthly/worldly, unrighteous version of love, joy, justice. To receive an unlimited, everlasting, mature, righteous version of love, joy, justice and so on. Which comes by faith in the divine, in God and Christ, by the word and the power of the holy spirit.

From Old, immature earth, covenant, law, man, kingdom = shadows and darkness. Immature of fallen Christian

To New, mature, everlasting earth, covenant, law, man, kingdom = light. Mature, sanctified Christian.

Spiritual sacrifices. How and what God will test our hearts on is a bit individual. At the same time, we know that the seventh-day Sabbath is the main test of the last Christian church. The great test for the last generations. In addition, there are other individual tests. What God requires also depends on how far we have advanced in the sanctification. He also demands more from some than from others. If we have received much light, He demands more. This is because he is righteous. *"To whom **much** is **given**, **much** will be **required"*** -Luke 12:48.

If we receive His character and law, then we would want to sacrifice the self and this "world" for Him and want to share Him and His saving truths with humanity. It is the fruit of being sanctified by Him, by His spirit.
So the answer in short is that offering up spiritual sacrifices, if God ask it of us, is the fruit of sanctification. To go from the old to the new man, from the old, immature to the

new, mature law and covenant. Fruit of righteousness, of having the law of God written on our hearts and minds, by grace (forgiveness for repented trespasses and spiritual power from the holy spirit) through faith. So the faith of Jesus, is to keep God's commandments according to the New, mature law and covenant. This means to receive a fuller measure of the spirit of God. From immaturity to maturity in Christ. From old, earthly birth of the flesh, to new, heavenly birth of the spirit.

"Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus." - Revelation 14:12
